AN SAYS HE IS WILLI

After a long Silence upon the Subject the Com- look. While Democrats have reason moner States his Position--Will make no fight for the Place and will not feel disgruntled if He is not Named.

Mr. Bryan says that He Considers that the Question of his the action of the Democratic party Desirability as a Candidate should be Decided by the prospect of success. Party, not by a few Party Leaders or by himself—The but a Democratic national convention Possibility of Roosevelt being Named for a third Term will be held, a platform adopted and does not Figure in the case—No Contributions from prospects are bright or gloomy, and Trusts are Wanted.

coln, Neb., Nov. 15.-William more by his nomination of someone mings Bryan will accept the Demperatic nomination for president in 1908, but he will neither ask nor make a fight for it.

has been pressed to answer the "Will you accept the nomsection "Will you accept the public section?" and he believes the public section?" entitled to an answer, and to know

The question that ought to weigh nost, de says, is whether his nomestion that ought to weigh will strengthen the Demoparty more than the nominasome one else. Not only will seek or ask for the nomination will not assume to decide the of availability and if the le to another, he will neither to ascertain the chances Mr. Bryan says:

mod plane are being made for that a statement is due to the le. Those who prefer another leate are entitled to know his and those who favor his on have a right to demand an answer to the question so often put, will you accept a nomination. d to the circulation of many false reports and unfriendly news-Hence to misrepresent his attitude.

"Mr. Bryan will not ask for or seek mination and he will not assume to decide the question of his availability. He has been so amply recomnbition be considered, for he has had honors enough from his party to satisfy any reasonable ambition. and file of the Democratic party desire only question that ought to sire Mr. Bryan to make the race, he will make it no matter who may be party can be strengthened and aided the Republican nominee.

pointed or disgruntled. His availabil- especially in one who is as deeply ity is a question to be decided not by indebted to his party as Mr. Bryan is. him, not by a few leaders, not even by the leading newspapers that call peal to the public conscience. The

granted that the organization of the party will be in harmony with the platform and will be composed of men whose political records will injust confidence and give assurance that a victory if won will not be a conditions and he also takes it for barren victory.

"The Republicans must nominate either a reformer, a standpatter or one whose position on public questions is unknown and the course of the Democartic party should be the same no matter which element controls the Republican convention. fight for what it believes. While it papers have taken advantage of his may take advantage of Republican mistakes, it must depend upon its own merits for success and not upon the error of its opponents.

"The action of the Republican convention may have its influence in the determining of the relative availdone and for what he has endeavored ability of Democratic candidates, but to do that he cannot claim a nomin- it ought not to have any influence in ation as a reward; neither should his determining the question whether the one chosen by the Democrats should accept the nomination. If the rank

with sufficient accuracy to make his

to be encouraged by the fact that Democratic principles have grown in popularity and that Democratic pol-icies are now praised by many who denounced them a few years ago and while further encouragement is to be derived from the fact that the Democratic party is more united than it has been for many yeas, and the Republican party more divided, still

the party must make the best fight it can whether it enters the campaign with fear or confidence. If the members of the party believes that Mr. Bryan's nomination will help the party, its principles and its policies, "If he can serve the party by being he will accept the nomination whether its candidate, he will accept the com- the indication point of defeat or vicnission and make the best fight he tory. A defeat can bring no discan. If, however, the choice falls grace where the cause is a just one, upon another, he will not be disap- but cowardice would be disgraceful,

"The next campaign will be an apthemselves Democratic, but by the investigations have shown not only voters of the party, and to Riem he the corrupt use of large campaign entrusts the decision of the question funds, but the only source from which -they are the supreme court in all they can be drawn, namely, the cormatters concerning candidates, as porations that seek to convert the they are in all matters concerning the government into a business asset, "He' assumes that they will not select him unless they desire to make special privileges to none, and therean aggressive fight for the application fore cannot promise favors to favor of Democratic principles to present seeking corporations. The Democratic conditions and he also takes it for campaign must be carried on by

They down the steel trust is about to protest against narrow channel take over the immense Jones & Laughlin blames for driving them tion in the country.

The rumor of the absorption gained strength today when word was given to stop all work on the great new plant that Jones & Laughlin were building at Allequippa, on the Ohio river, just west of the city. This plan was to cost \$10,000,000 in its first stage and many more millions were to be spent upon it in an endeavor to make it the most complete steel producing enterprise in the so complete in every respect that the new steel trust town of Gary would State hospital be only a village as compared with

A large sized city was laid out at Allequippa and the erection of the attending physicians could not discovmills and furnaces and dwelling er although they managed to save houses for workers, was begun and her life each time. No bottle or pushed rapidly. But today 10,000 mer. at Allequippa received word that all work would be suspended at once. These men, besides builders, include ment, iron and steel workers of various grades, for Jones & Laughlin, were already turning out some of their product at the new works.

When the news of the suspension work became known, the financial stringency was immediately blamed, and Willis King vice president of the company, was quoted as admitting that the scarcity of money work. Asked if building would \$2,500.000-
